## READ THIS!

Our vendor, Willimantic Waste, has notified the Town that co-mingle loads originating in Eastford are contaminated with non-contract items. The loads are photographed, are rated for non-compliance, and Eastford is assessed a \$95/ ton disposal fee for the contamination.

### THIS COSTS YOU \$\$\$!

#### **PLASTIC BAGS ARE NOT CONTRACTED RECYCLABLES.**

Put your empty bag in the container labeled “bags” or in household trash.

#### **SMALL ITEMS UNDER 5 INCHES ARE NOT CONTRACTED RECYCLABLES.**

Items smaller than 5 inches are contaminants. Put pens, nips bottles, straws, loose bottle caps, plastic utensils in household trash. Put perfume bottles in bulky waste.

*Contracted recyclables DO NOT INCLUDE Styrofoam food packaging, dishes, candle glass, prescription bottles, automotive product containers like oil jugs. These are contaminates. Put in household waste or bulky waste, as appropriate.*

*Eastford double-sorts. Put paper & cardboard in the paper/cardboard compactor.*

*Eastford Board of Selectmen*
