**Town Clean-up Day:** Success! Sponsored by Us, Conservation commission, Eastford Baptist Church, Congregational Church of Eastford. Good team work with many community members from town. We are hoping to team up again next year. As it is more of a “green up” theme we’re hoping the Conservation Commission can take the lead but would be happy to help out again.

**Regular Business:**

Emily is willing to post on the website if we run out of time. We just need to email her the information.

**Budget:** \$2,500 Budget for the year. Remaining balance: 1553. 37. This is before reimbursement from town for anything purchased for the town clean-up.

**Memorial Day:** Paige has an email out to Terry Cote checking to see if it is possible to announce the bike decoration winner at the ceremony. If not, we will announce on Facebook and call the winner. Jen will make a registration and Laura will make a flyer. There will be prizes for 1-3<sup>rd</sup> place winners for the most patriotic bike (or whatever). The parade is May 30<sup>th</sup>. We would like the bikes in the EES parking lot at 8:45-9:00. Judging will take place as soon as individuals are ready up until the start of the parade. Paige will plan on bringing the banner the kids created to carry in the parade and the camera to take pictures of the decorated entries.

**Race:** The cost for official timing is \$600 (and \$2 per pin). We are not sure if this includes her taking care of website registration as well. Paige will clarify what the cost includes. We are hoping to host the run this fall. We are leaning toward mid to late September if she is available. We are hoping with the money we have left in the budget that maybe we can buy this package for this event and another in the future at a discounted rate.
